

JOB OPPORTUNITY – x2 ARBORISTST CLIMBERS

Arbserv require an additional **X2 Arborist Climbers** to fulfil an expansion of work predominantly on local utility powerline Arb contracts along with commercial and domestic tree work in the mix.

Qualifications & Experience required:

- Utility Arborist Climber: NPTC 30, 31, 38, 39, 40 & CHIPPER TICKET. (Preferable but can be gained as part of the offer package - UA1, UA2.1, 2.2, 2.3)
- Valid emergency first-aid at work required.
- Full driving license (preferably including trailer BE)
- MEWP ticket would be an advantage, but not essential.
- Ideally 2 years' experience as a climbing arborist.

The Role:

- Utility Arborist Climber
- Working on the overhead Powerline Network mainly in the Shropshire & Telford Area
- Drive company 4x4 vehicle towing track chipper on a plant trailer or tow behind sub 750kg chipper.
- Load vehicles and prepare equipment.
- Help carry out daily & pre-use checks on vehicles kit & equipment using an app-based system.
- Maintain vehicles, tools and equipment.
- Help to plan and contact customers as required when the land/tree owner has specified prior notice is required.
- Help locate and drive to pre-surveyed and consented work sites using Network Maps & Sat nav.
- Contribute to written risk assessments forms for each site before carrying out work & book on/off the distribution network with control.
- Carry out both aerial & ground-based tree & vegetation safety clearance work in close proximity to predominantly live & sometimes isolated overhead powerlines.
- Contribute to completing app-based job completion forms.
- Feedback information and work with your manager to organise workload.
- Emergency Tree Fault work will be expected of you from time to time as it arises outside of normal working hrs Mon-Fri 7.30am – 4.30pm (additional rates of pay apply for out of hours work at x1.5 to x2 rates)
- Ad-hoc you will be expected to work on non-utility domestic and commercial work.

Salary range (*depending on experience*):

- Utility Arborist Climber Role £27,000 dependent on experience, based on 40hrs week Mon-Fri 7.30am to 4.30pm.
- There is also opportunity to progress to Utility Arborist Team Leader Climber Role £27,000 - £29,000 dependent on experience, based on 40hrs week Mon-Fri 7.30am to 4.30pm.

Holidays & Benefits:

- 28 Days paid leave per annum (including bank holidays)
- Workplace pension scheme
- All PPE & Equipment provided.

This role is suited to climbers with experience or some experience who want to climb with a head for heights and a passion to get the job done! Plus want a fulltime job with paid holidays and a pension scheme and training.
